Dear parents & carers,

Welcome to Fledglings.....

I would like to take this opportunity to introduce myself to you and tell you a little about me and Fledglings. First of all, I am honoured to take on this amazing role and fulfil a lifelong dream of mine to own my very own outstanding establishment. Never in a million years did I imagine that I would be given the opportunity to become part of such an incredible team, filled with incredibly talented young children, in a beautiful setting in the heart of Bramhall... a place extremely close to my heart.

I have absolutely loved every minute of my 15 years within the early year's sector, first as a lead class teacher within a private school then progressing onto management and leadership roles. Regardless of developments within my career, I have always and will continue to personally deliver teaching sessions as this will always remain the biggest passion of mine. I most certainly intend to continue my teaching role at Fledglings with the Prep-School to ensure the children are 'school ready' prior to their transition to primary school.

To create an environment where children are happy and excited to learn something new everyday is the most amazing achievement of all. Each day I look forward to working very closely with the remarkably talented, motivated and dedicated team at Fledglings and strongly believe that together we

provide magical and exciting learning opportunities for your child to participate in each and every day.

I am fully aware of Fledglings incredibly high reputation within the Bramhall community and I remain determined that Fledglings continues to build upon its current outstanding Ofsted judgement. I can assure you that we will provide the best possible education, outcomes and experiences for your children.

We are dedicated in ensuring that the children feel safe, loved and cared for and I strongly believe that Fledglings will remain a place where the children can proudly call their own and are desperate to attend.

Best wishes,

Mrs Bhav
