

Welcome to Fledglings

Dear Parents and Carers,

It is with immense pride and gratitude that I welcome you to the Fledglings family.

Owning Fledglings has truly fulfilled a lifelong dream of mine and I feel incredibly fortunate to lead such a special nursery, surrounded by a dedicated team, wonderful families and remarkable children, all within a beautiful setting at the heart of the Bramhall community — a place that has always held a very special place in my heart.

My journey within the early years sector began in 2005 as a Lead Class Teacher within an independent school, before progressing into leadership and management roles. Throughout every stage of my career, however, my greatest passion has always remained the same — teaching, inspiring and nurturing young children. No matter how my role has evolved over the years, I have always continued to personally deliver teaching sessions, as there is nothing more rewarding than witnessing the curiosity, confidence and joy that children experience through learning.

At Fledglings, we strongly believe childhood should be filled with warmth, wonder, excitement and opportunity. Creating an environment where children feel deeply loved, safe, valued and inspired to learn each day is at the very heart of everything we do. We are passionate about providing magical and meaningful learning experiences that allow every child to flourish as an individual and develop a genuine love for learning.

I feel exceptionally proud of the passionate, talented and caring team at Fledglings, who work tirelessly each day to provide the highest standards of care and education. Together, we strive to create a nurturing environment where children feel a true sense of belonging and where families feel supported, valued and part of our wider Fledglings community.

Fledglings has long held a wonderful reputation within the Bramhall community and I am incredibly proud of all that we continue to achieve together. Our vision has always been to provide exceptional experiences for children during the most important years of their development, laying strong foundations that will support them not only throughout their education, but throughout life.

Above all else, we want every child to feel happy, confident and excited to come to nursery each day — a place where treasured memories are created, friendships blossom and the 'love of learning grows'.

Warmest wishes,
Mrs Bhav (Bhavani Mehta)
